

Need quiz bowl practice questions?

It's no mystery where to find quality questions about concepts, skills, and knowledge from all curriculum areas to challenge your students in preparation for academic meets.

Each year, the Great Auk creates thousands of new Pristine short-answer questions for use in academic competitions across the U.S. and around the world. During the school year, distribution of Pristine questions is tightly restricted. But, every summer, His

Aukness releases these questions to all coaches wanting a superb resource of practice questions for their academic team members.

Senior Knowledge Bowl - 3200 short-answer high school questions.

Junior Knowledge Bowl - 1600 short-answer questions for 7th-9th grades.

Elementary Knowledge Bowl - 800 short-answer questions for 4th-6th grades.

Along with the questions, you also get the tools to select them randomly or by topic and difficulty level. You can print the questions with answers or with separate answer keys.
